

## PROFILE

I have dedicated the past three years to honing my skills as a Graphic and Web Designer, immersing myself in the dynamic world of digital creativity. Through countless projects and collaborations, I have cultivated a deep understanding of design principles, user experience, and visual storytelling. My proficiency spans across a range of design software and tools, allowing me to craft compelling graphics, intuitive interfaces, and impactful branding materials.

My portfolio showcases a diverse range of projects, each reflecting my commitment to excellence and passion for crafting visually stunning and user-centric designs.

June-2023 – Running 3th Year  
Bachelor Of Computer Applications (BCA)

## WORK EXPERIENCE

### Vopify Solutions ( Web & Graphic Designer)

[ March-2021 ] to [ May-2022 ]

I worked as a web and graphic designer at Vopify Solutions for a year. My responsibilities primarily revolved around designing websites on the Shopify platform and creating various graphic elements to enhance the visual appeal of the sites. It was an engaging role that allowed me to apply my creativity and technical skills to deliver compelling online experiences.

### Axe Consultancy Services LLC (Web Designer & Developer)

[ May-2022 ] to [ July-2022 ]

During my time at Axe Consultancy Services LLC, I specialized in Shopify e-commerce web design and deployment. My responsibilities included creating visually appealing and user-friendly online stores, optimizing them for performance and SEO, and ensuring a seamless live launch experience. I also collaborated closely with clients to understand their business needs and translate them into effective digital solutions that drive sales and customer engagement.
